Star Manufacturing International, Inc.

RCS BAGEL FAST CONVEYOR TOASTER

RCS Features/Benefits:

- Holman's forced convection keeps the toaster cool to the touch and * extends the life of critical components. The forced convection increases productivity by re-circulating pre-heated air into toasting chamber.
- ★ Calrod heaters provide consistent heating everytime you use it.
- Space saving design the forced convection system allows the unit to be placed against a wall. Other toasters have louvers requiring additional counter space.
- High performance RCS2-1200B produces up to 1200 bagel halves per + hour.
- Easy to use control panel takes the guesswork out of speed control * settings.
- Toasts bagels and English muffins in seconds!
- Variable speed control for perfect color and texture of bagels and English * muffins!
- Energy efficient operation with power saver switch that reduces electricity ★ consumption.
- Extended conveyor belt for easy loading and large warming area for higher ╈ production.
- Safe load up area with full width front burn guard and cool to the touch ★ exterior.
- "Smart" crumb tray keeps the breadcrumbs from falling under the toaster. +
- Heated holding area to keep toast at the perfect temperature. ★
- * Hi-limit switch prevents toaster from overheating protecting critical component parts.
- 24 hours 7 days a week technical support by Star technicians.

Applications:

The RCS2-1200B toasts bagels perfectly while saving time and money.

Quality Construction:

No matter how you slice it, Holman delivers high quality, reliable toasters. Stainless steel construction for long lasting durability. Heavy-duty motor, drive chain and conveyor speed control for superior reliability. Conveyor belt tension system for smooth and quiet operation. High performance Calrod heaters provide superior toasting performance and reliability. Units are easy to disassemble with one-piece cover for cleaning and service. Toasters are furnished with 1" adjustable legs and 4' cord.

Warranty:

Holman's conveyor toasters are covered by a one-year parts and labor warranty.
